

For the Business Traveler

Another great new benefit for our members ...

The Montefiore Club maintains reciprocity with a growing list of over 100 prestigious private clubs in North America and abroad. Our members use these other clubs for both business and pleasure, as many of them have excellent overnight facilities in the heart of some of the great cities of the world.

For the business traveler they offer a comfortable and elegant venue to entertain guests and conduct business abroad. When traveling alone or with your family, staying at a private club offers exceptional value at remarkable prices compared to ordinary hotels.

No matter where you need to travel in the world, having access to the right clubs is a valuable tool to impress your clients. It can make all the difference!
